

ENDERBY FIRST TEAM WIN THE LEAGUE AGAIN

For the second year running Enderby First Team have gained promotion by winning their division 4B. So, its division 3 next year boys, extra winter training anyone?

The team above, are from right to left, Captain Bob Goodwin, Tim Goodwin, Bernie Poole, Alex Morris, Tom Mattinson, Paul Barnes and Peter Gutteridge.

There were also valuable appearances from Stuart Turner and Danny Hallam inset below, who were able to step in when the star players were unavailable

The team started the season slowly by losing 5-4 in a tight game at Loughborough Greenfields.

But since then they had won all their matches, and usually by a good margin. So that on Thursday they only need to win three sets to win the league.

This was duly accomplished with a comfortable 8-1 home win over Syston Northfields.

Apologies for the photo Danny, it was from 2008. He is now two feet taller and much more handsome.
